Service Survey

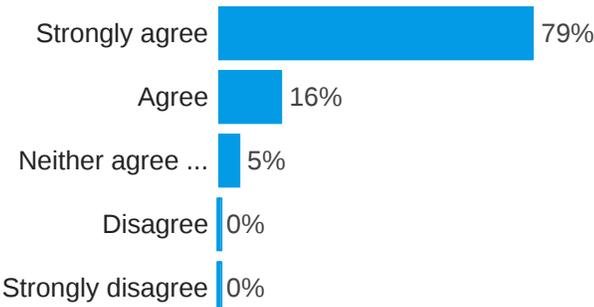

Spring 2022

The charts and tables below provide a snapshot of the responses to the IACUC Service Survey.

During this reporting period, 114 investigators received an invitation to complete a survey to assess their interaction and experience with the IACUC. The invitation was sent to investigators who received approval from the IACUC office for new protocols, amendments, and continuing reviews. The PI or contact person was asked to complete the survey one time per invitation. The survey was sent eight times between May 3, 2022 and July 25, 2022 and received 19 responses (17% response rate).

Below is a summary of the results from IACUC Approvals for spring 2022.
